

OUR MISSION

To organize all music teachers in the Lehigh Valley into one professional society.

To promote public recognition of the value of music education.

To develop the potential of members and their students.

To encourage, inspire, and assist students in their study and enjoyment of music.

About Our Membership

Our membership consists of private studio teachers from the Lehigh Valley, most of whom own and operate their own studios from their home or from a conservatory-type institution. Our teachers are well educated and well trained in the art of music making and music teaching.

Some of our members have earned the *Nationally Certified Teachers of Music Certification*, which is granted by the *Music Teachers National Association*. This distinction is indicated by the letters *NCTM* after the teacher's name. Teachers who have (H) after their name have been awarded *honorary membership* for there many years of dedicated service.

If you are a music educator working in the private sector and wish to join our fine organization please contact Janice Derstine, our membership chairperson, by phone at 610-967-3843 or by email at jdvoice@ptd.net or any member of the LVC/PMTA.

on line at

www.lvpmta.org

We strive to maintain accurate information about our membership in this booklet. However, for the most up-to-date listing of our members please visit our web site at www.lvpmta.org and click on "membership" under the tab "about us."
